PART I

GENERAL.

Proceedings of the Government of Mysore,

READ:—

Letter No. 1847 of the 27th January 1896, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, to the General Secretary to the Government of Mysore.

I have the honor to recommend that the Deputy Commissioners may be directed to submit at the commencement of each year a list of all Jatras or Festivals of any importance which are likely to take place in their respective Districts during the ensuing year and give at the same time the following particulars:—

(a) Date of commencement of the festival, number of days it will occupy and the approximate number of pilgrims expected.

(b) Amount of accommodation available in rented houses or chattrams.

(c) How shelter for the number in excess of the accommodating capacity of the place is provided.

(d) Whether the local shops are capable of supplying sufficient food supplies and fuel for the pilgrims and others during the festival, and if not, what measures are proposed to supplement them.

(e) Water-supply whether from river, tanks or wells and whether ample or otherwise.

(f) What measures are proposed to be adopted to prevent the pollution, by means of bathing, washing, or other means, of the water used for drinking and cooking purposes.

(g) Whether latrines are provided, and if they are, what means are adopted to keep them clean and fit for use and to compel the people to resort to them

(h) A brief sanitary history of the place stating whether or not cholera or other communicable disease prevailed epidemically during or immediately subsequent to any previous festival.

(i) Whether the presence of a medical man is considered necessary during the festival, and, if so, from what date, and what accommodation can be provided for him both for his personal comfort and to enable him to efficiently treat the sick.

2. In my opinion, it would be most desirable that the above recommendation should be carried out, as it would place the Deputy Commissioners in possession of timely and detailed information regarding the condition of the towns and villages in which festivals would be held during the ensuing year in respect to their accommodating capacities, water-supply and general sanitation, and enable these officers to take measures to protect as far as possible, the inhabitants, visitors, and people of the surrounding country, through which these latter pass to and fro, from, if not the introduction, at all events the spread of epidemic disease.

3. At present, there seems to be no organized system in these respects, a few elementary wants are attended to, an Hospital Assistant is hurriedly summoned to attend during the festival to treat the sick, exercise a general supervision over things as he finds them on arrival, and the rest is left very much to chance.

4. I forward herewith a report by the Hospital Assistant at Nelamangala of the recent festival at Sivaganga, from which it will be observed that the number of pilgrims was estimated at about 4,000, and that the village contains 150 houses which are let at a very high rent during the festival. These houses were not, I presume, entirely vacated by the owners, as they, or at all events the majority of them, would have no other place to live in, if they were. The presumption is that they and their families continued to occupy them, and only let portions of them, and if this be so, only a moderate proportion of the 4,000 visitors can have had house shelters and reasonable convenience for cooking, &c, and the rest had, as the report states, to seek shelter in the stone mantapams, under their carts or beneath the trees.

5. It is well known in the history of cholera that those whose vitality is lowered from unwholesome or insufficient food, exposure, or insanitary surroundings are the ready recipients of the disease, and are, as a natural consequence, potent agents in spreading it, and hence in these large gatherings where house and cooking accommodation cannot be provided for all, extra care is necessary to put the place in a good sanitary condition beforehand, and maintain it so during the festival, and prevent water contamination and surface pollution as much as possible.

Enclosure to the above.

Letter No. 73, dated 24th January 1896, from the Hospital Assistant, Nelamangala, to the Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

With reference to your letter No. 1726, dated 16th January 1896, about the Sivaganga festival, I beg to state that it is impossible to state the exact number of the pilgrims that attended the said festival.

I estimated the number of the pilgrims as a little over 4,000. Sivaganga is a village situated just at the foot of the hill which is about 4,559 feet above the sea-level. The village contains about 150 houses bordering the sides of the only principal street that is about 2 furlongs in length. These houses are inhabited mostly by non-brahmins who let them out at a very high rent during the festival for those who could afford to do so. The other poor pilgrims rest themselves in stone mantapams that are erected out of piety by the devotees of the God Siva

Some even rest themselves at night between the wheels and beneath the carriages that conveyed them there Others make themselves at home beneath the tall and broad shadowy trees that dot the adjoining plains here and there.

Police Constables were placed at the principal sacred tanks and ponds that are used for bathing purposes and no water was allowed out of these for culinary and drinking purposes.

The refuse of the village and those of the pilgrims were duly and systematically removed by the Municipal scavengers who are kept ready for the purpose. The other hygienic precautions were also duly attended to.

No. 10647-56—Mis. 1495, DATED, BANGALORE, 16TH MARCH 1896.

ORDER THEREON.—Copies of the foregoing papers will be forwarded to the Deputy Commissioners of Districts with a request that they will be good enough to submit any suggestions they may have to offer in the matter of sanitary arrangements to be made in the places where periodical Jatras or Fairs last more than 3 days.

READ :—

The following letters Nos. 1996 and 2150 dated respectively, the 15th February and 4th March 1896, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore :—

I have the honor to forward for orders of Government, the accompanying docket No. 2761—1245 of 4th February 1896, together with consolidated bill for Rs. 1339-7-1 on account of charges incurred to prevent the spread of cholera in the Bowringpet and Kolar Taluks and to state that I am of opinion the amount should be met from other sources than the Medical Budget, as no provision exists in the latter for these charges.

2. It is next to impossible owing to the lapse of time to check the different items, even if it were of any use to do so, as payments have been already made.

3. There are things which have been purchased from shops, such as aromatic spirit of ammonia, chlorodyne, &c., which could be had far less than half the price from the Medical Stores.

4. I would suggest that some ruling be made defining the charges which may be payable out of District Funds and those which may be debited to "Medical."

5. At present, there seems to be no system and in the hurry and confusion caused by an outbreak of cholera there is liable to be waste of money.

Letter No. 2150, dated 4th March 1896.

With reference to your docket No. 10144—G. F. 319-92, dated 3rd March 1896, I have the honor to state that the amount can be met from the savings in the Medical Budget for the current year.

2. As regards para 2, I would recommend that the construction or repairs of sheds or houses to accommodate cholera or small-pox patients in bedding, clothing and feeding servants specially employed to attend on the sick and telegraphic charges, &c., should be debited to District Funds, as expenditure under these heads at all events, at the commencement can only be properly controlled by the District or Taluk authorities and that extras in the way of nourishment, medicines, stimulants, disinfectants and batta for Medical subordinates should be chargeable to the Medical Budget.

3. All medicines should be procured from Taluk Dispensaries or District Head-quarter Hospitals, or if time permit, and they are not obtainable from those places, from the Medical Stores at Bangalore, and their purchase from shops should be prohibited except under special circumstances.

4. There is a good deal of money wasted in purchase of gum, benjamin, camphor and tar for aerial disinfection which should be put a stop to, as they are perfectly useless for that purpose.

5. The only aerial disinfectant of any value which can ordinarily be procured is sulphur and even that is of no use in the open air and is only germicidal if burned in a room with every aperture tightly closed and left so for twenty-four hours, if practicable.

6. Not less than one pound of sulphur for every 2,000 cubic feet of space is required and as the fumes are poisonous if inhaled, no person should enter the room whilst the sulphur is burning nor afterwards, until the doors and windows have been open for some hours and the room thoroughly aired. After the sulphur fumigation, washing the walls, floors and articles of furniture with a carbolic solution (1 in 40) would be desirable and so would fresh white-liming the roof and walls.

7. The use of disinfectants in other ways would be carried out by the Medical Officer or subordinate and it is not necessary to say anything more about them here.

No. 10693-703—G. 319-92, DATED, BANGALORE, 17TH MARCH 1896.

ORDER THEREON.—Communicated to the Deputy Commissioners of Districts with a request that the information furnished in the above as regards the procuring of necessary medicines from the Taluk Dispensaries, District Head-quarter Hospitals and the Medical Stores at Bangalore may be noted for future guidance.

2. As to the Senior Surgeon's other proposal made in the above to debit the charges incidental on the outbreak of cholera, partly to District Funds and partly to Medical savings, the Presidents of District Fund Boards are requested to favor the Government with their opinion in the matter.

Proceedings of the Government of Mysore

READ :—

Docket from the Deputy Commissioner of the Shimoga District, dated 29th January 1896, No. 822—578, submitting a copy of the Proceedings of the Local Fund Board, dated 16th idem, together with the District Fund Budget estimates of the Shimoga Circle for 1896-97.

No. 10154-7—L. F. 94-95, DATED, BANGALORE, 4TH MARCH 1896.

ORDER THEREON.—The District Fund Board of the Shimoga Circle estimate the revenue for 1896-97 at Rs. 87,800 under all heads against Rs. 1,22,202, the actuals of 1894-95 and Rs. 83,770, the sanctioned estimate for 1895-96. The large increase under actuals is chiefly due to the grant-in-aid of Rs. 34,000 made from Local Funds General for the construction of the Malnad roads. It is presumed that the estimate under "Tolls" includes the cess collected at the Lakshmipur toll gate creditable to the District Funds under Government Proceedings, dated 21st August 1895, No. 2524 5—L. F. 185-94. The other items of receipts call for no special remarks.

2. It is not clear how the opening balance of Rs. 3,087 is arrived at. A sum of Rs. 15,801, which is the estimated closing balance of the year 1895-96 as sanctioned in Government Proceedings, dated 25th February 1896, No. 9932-4—L. F. 14-94, will be adopted as the correct balance.

3. Including the opening balance, the sum available for expenditure during 1896-97 is Rs. 1,03,601 of which Rs. 88,840 is proposed to be expended leaving at the end of the year a balance of Rs. 14,761, which however is less than 25 per cent of the receipts.

4. *A. Public Works to be executed by Public Works Department.*—The provision made under this head, *viz.*, Rs. 63,421 includes Rs. 500 on account of metalling a portion of the Honnali-Shikarpur road within the Municipal limits of Shikarpur. It should be reported whether this work is to be executed by the Public Works Department or by the Municipality. In the latter case, the amount should be shown under "Contributions." Pending information, the estimate will be retained.

5. The estimate of Rs. 9,370 proposed under the head "B. Public Works to be executed by Revenue officers" includes lump sum allotments for the several Taluks and the Sub-Taluk of Kumsi without giving details of works to be undertaken during 1896-97. The provision will be retained, subject to details being furnished in due course.

6. *Civil Charges.*—The increase of Rs. 50 provided under "I. Office establishments" on account of batta for the Local Fund clerks in the District office, is passed.

7. *III. Hospitals and Dispensaries.*—The increase of Rs. 60 provided under this head on account of the monthly allowance of Rs. 5 to the Hospital Assistant in charge of the Local Fund Dispensary for his weekly visits to Ayanur is in accordance with Government Proceedings, dated 28th August 1894, No. 3353-5—L. F. 144-92. But no provision is made for payment of the District Fund share of the cost of the Dispensary for women and children at Shimoga for want of funds, and the Government are pleased to exempt the Board from making the contribution.

8. *IV. Midwives.*—The increased provision under this head includes a moiety of the salary of the extra midwife for the Shimoga District. This seems unnecessary with reference to the observations made in para 3 of Government Proceedings, dated 21st January 1896, No. 8274-83—L. F. 55-93, but the item will be retained pending further explanation.

9. *V. Sweepers for Travellers' Bungalos and Musafirkhanas.*—The provision made under this head is passed, subject to such modifications as may be ordered on receipt of Deputy Commissioner's reply to Government Proceedings, dated 20th February 1896, No. 9708—L. F. 74-94.

10. The lump sum provision of Rs. 3,000 made under "VI. Conservancy and Sanitary charges" is approved, subject to details being furnished.

11. The other items which call for no remarks, are sanctioned.

12. The Budget estimates for 1896 97 as above sanctioned are shown in the accompanying appendices, of which an abstract is given below:—

Letter dated 23rd February 1896, No. 1059, from the Deputy Commissioner, Mysore District.

With reference to Government order No. 4390-1—L. F. 142-92 of the 22nd October 1895, sanctioning a sum of Rs. 500 from the District Funds for the arrest of the growth of the sand dunes at Talkad in addition to the sum of Rs. 300 sanctioned in September 1892 and requiring me to inspect the dunes and report on their condition, I beg to state that I saw the dunes this morning. Since the adoption of the preventive measures in 1892 by the late Deputy Commissioner Mr. Rangaswamaiengar the dunes have not made any further progress and covered up any more land or house. The several plants and trees planted at his instance have taken root and effectually prevented the sand from being blown towards the village. A deal more planting is necessary and the work is in progress. Some fresh areas were planted during the last rainy season. The people of the place told me that, but for the remedial measures set afoot by Mr. Rangaswamaiengar, many more houses would have been covered up by this time. Persons that were on the point of abandoning their houses owing to the rapid approach of dunes towards them have now given up the idea. Mr. Rangaswamaiengar indeed deserves the special thanks of the people of Talkad and of the Government for having devised means to stay the destruction of property by these dunes.

No. 10268-9—L. F. 142-92, DATED, BANGALORE, 7TH MARCH 1896.

ORDER THEREON.—Recorded with satisfaction. The thanks of Government will be conveyed to Mr. Rangaswamaiengar.

No. 10615-23—L. F. 103-95, DATED BANGALORE, 16TH MARCH 1896.

ORDER THEREON.—The Deputy Commissioner of the Tumkur District requested sanction to the supply of vessels costing Rs. 35 to each of the 14 Musafirkhanas in the District. Before according sanction to the proposal, the opinions of the various District Fund Boards as to the utility of the proposal were invited and the letters read above are in reply.

2. With the exception of the Deputy Commissioner of Kadur, who considers that cooking vessels are unnecessary and that vessels for bathing and washing alone may be supplied, all the other Deputy Commissioners are in favor of supplying cooking vessels to Musafirkhanas.

3. The Government are of opinion that the supply of necessary vessels would add greatly to the usefulness of Musafirkhanas; but what vessels are absolutely required for each Musafirkhana may be left to be determined by the District Fund Board, taking into consideration the importance of the place and the class of travellers who generally resort to the institution. The Government are accordingly pleased to sanction a lump sum being placed at the disposal of each District Fund Board, computed at an average rate of Rs. 35 per each Musafirkhana, leaving the distribution to the Board's discretion. Out of the allotment actually made to each Musafirkhana the necessary utensils (including the lamps referred to in para 2 of Government Proceedings No 7189-97—L. F. 71-94, dated 21st December 1895) may be purchased and placed in charge of the caretaker of the Musafirkhana, who will supply them to travellers on their requisition. A periodical inspection of the articles should be made whenever the Taluk Amildar visits the Musafirkhana.

4. To meet the cost of petty repairs to vessels and the purchase of small necessaries, such as oil, washing and cleaning materials, &c., a contingent allowance calculated at the rate of one rupee a month for each Musafirkhana will also be placed at the disposal of each District Fund Board for distribution according to the requirements of each Musafirkhana. The Amildars should be instructed to see that the sum allotted to each Musafirkhana is not misused by the caretaker.

5. A bill of charges actually incurred on account of the purchase of vessels should be submitted to Government and the source in the District Fund Budgets from which the cost thereof can be met should be specified. The annual contingent allowance should be separately provided for in future Budgets.

6. The proposal to supply vessels to the III class Travellers' Bangalos will be separately dealt with on receipt of information from the Deputy Commissioners of Bangalore, Tumkur, Mysore and Hassan.

READ :—

Docket dated 22nd January 1896, No. 663, from the Deputy Commissioner of the Hassan District, submitting the District Fund Budget estimates of the Hassan Circle for 1896 97 together with copy of the Proceedings of the District Fund Board, dated 11th idem.

No. 10603-7—L. F. 93-95, DATED, BANGALORE, 16TH MARCH 1896.

ORDER THEREON.—The estimated income for 1896-97 under all heads comes to Rs. 1,26,230 against Rs. 77,607, the actuals of 1894-95 and Rs. 72,650, the sanctioned estimate for 1895-96. The increase is chiefly under "VII Private contributions" and "Refunds." The former item (Rs. 2,500) expected from European and Native Coffee Planters towards the opening of the Sakleapur-Gonibid road, is allowed to stand, but the latter item (Rs. 47,000) expected as refund from Local Funds General towards the expenditure incurred from District Funds on the Belur bridge, will be disallowed, pending the issue of final orders on receipt of Comptroller's reply to this office No. 7138-9—L. F 258-93, dated 20th December 1895, in regard to the Deputy Commissioner's request for the refund of the sum.

2. Including the balance (53,881) the sum available for expenditure during 1896-97 is Rs. 1,33,111, of which Rs. 1,22,072 are proposed to be expended leaving at the end of the year a balance of Rs. 11,039, which is less than the prescribed minimum by Rs. 8,768. The Deputy Commissioner is therefore requested to propose reductions, if possible, in the event of the actual balance on 1st July 1896 not being more than the above estimate.

3. *A. Public Works to be executed by Public Works Department.*—The amounts entered under this head provide for the preparation of a project for a road from Sakleapur to Gonibid, *viâ* Arehalli second section (for which a contribution is expected from coffee planters) and for increasing the mileage allotments for the marginally noted roads, which the Board consider necessary, owing to the enhanced wages of labor and heavy traffic passing over these Malnad roads. The former is approved and the latter sanctioned tentatively for one year. If the continuance of the enhanced rates be found necessary in the subsequent years, a separate report should be submitted and sanction of Government obtained thereto.

READ THE FOLLOWING PAPERS.—

Letter dated 26th August 1895, No. 930—192, from the Deputy Commissioner, Kolar District.

With reference to Government Proceedings No. 15798-810—L. F. 144-94, dated 29th March 1895, directing to submit a standard plan for musafirkhanas to be constructed in the several Districts, I have the honor to state that the four kinds of musafirkhanas for which designs (one for 4th class herein enclosed) have been prepared and circulated for the opinion of the Deputy Commissioners by the Chief Engineer, cannot conveniently be adopted, as the estimated amount of each ranges from Rs. 2,700 to Rs. 10,000, which is too high a sum to be spent for each musafirkhana, considering the limited accommodation required by travellers and the resources of the District Funds, the demand for which for other purposes of utility is great.

2. Having regard to the requirements and convenience of travellers and the funds at the disposal of the Board, a standard plan has been prepared and the marginally noted buildings have already been constructed in accordance with this design at an outlay of Rs. 1,000 each.

(1) Musafirkhana at Maler.
(2) Ditto Pattana in the Kolar Taluk
(3) Ditto Vemagal Ditto
(4) Ditto Nangali, Mulbagal Taluk.

3. I request therefore that the accompanying plan may be accepted as the standard one in the case of musafirkhanas of ordinary kind for which a sum of Rs. 1,000 or thereabouts is provided in the Budget.

Letter dated 6th March 1896, No. 905, from the Chief Engineer of Mysore.

With reference to Government Proceedings No. 3491—L. F. 144-94, dated 11th September 1895, forwarding copy of Kolar Deputy Commissioner's letter No. 930—192 of 26th August 1895, and its enclosure for opinion, I have the honor to inform you that I have no objection to the adoption of the plan for a cheap musafirkhana, as proposed by the Deputy Commissioner. It provides much less accommodation than the standard for the 3rd class musafirkhanas approved of in Government Proceedings No. 8204-13—L. F. 50-94 of 20th January 1896; but in cases where Deputy Commissioners think a building of this design will be sufficient, it may be adopted. I would suggest that it be now lithographed and circulated as the standard plan for a 4th class musafirkhana.

2. The plan received with the Proceedings under reference is herewith returned.

No. 11170-8—L. F. 110-95, DATED, BANGALORE, 31ST MARCH 1896.

ORDER THEREON.—Government are satisfied that both on financial grounds and with regard to the circumstances and necessities of particular localities, it is desirable to prescribe a cheaper plan of a musafirkhana in addition to the standard plans costing from Rs. 3 to 5,000 prescribed in Government Proceedings, dated 20th January 1896, No. 8204-13—L. F. 50-94; such a plan estimated to cost Rs. 1,000 has been suggested by the Deputy Commissioner of Kolar, and approved by the Chief Engineer in the letters above read, and Government authorize its adoption by District Fund Boards.

2. The Chief Engineer is requested to be good enough to have the plan lithographed and circulated to all Deputy Commissioners.

READ :-

Letter dated 27th January 1896, No. 905, from the Deputy Commissioner of the Mysore District, submitting the District Fund Budget estimates of the Mysore Circle for 1896-97.

No. 11049-53—L. F. 91-95, DATED, BANGALORE, 26TH MARCH 1896.

ORDER THEREON.—*Receipts.*—The District Fund Board of the Mysore Circle estimate the income for 1896-97 at Rs. 74,388 against Rs. 68,477 the actuals of 1894-95, and Rs. 57,416 the sanctioned estimate for 1895-96.

2. *I. 76 per cent of Local Cess.*—The increase under this head is due to the probable arrears of the previous years expected to be collected during 1896-97. The actuals under this head for 1894-95 were only Rs. 52,301 and it would not be safe to anticipate a larger amount than Rs. 56,000 in 1896-97. The estimate will accordingly be reduced from Rs. 57,458 to Rs. 56,000.

3. *VI. Tolls.*—Under the existing orders, the entire toll revenue realized from toll gates established on provincial roads is creditable to Provincial Funds and not to the District Funds. The estimate of Rs. 10,000 entered under this head will therefore be struck out.

4. The anticipated income as now sanctioned amounts to Rs. 62,930.

5. The opening balance is given as Rs. 44,859, which is the closing balance of 1895-96 as sanctioned in Proceedings No. 6667-71—L. F. 146-94, dated 9th December 1895. As the sanctioned expenditure has since been reduced by Rs. 1,165 in Government Proceedings No. 9488-90—L. F. 146-94, dated 15th February 1896, the estimated balance will be raised to (Rs. 44,859 + 1,165) Rs. 46,024.

6. Including the opening balance, the sum available for expenditure during 1896-97 is Rs. 1,08,954, of which Rs. 93,475 are proposed to be expended, leaving at the end of the year a balance of Rs. 15,479, which is slightly less than one-fourth of the receipts for 1896-97.

7. *A. Public Works to be executed by Public Works Department.*—From the detailed statement of "Repairs" it would appear that Rs. 1,600 is required for the maintenance of Mysore suburban roads. As this amount is payable to the Municipality for the maintenance of those roads, it will be transferred to "IX Contributions," the estimate being reduced to Rs. 20,035. The marginal statement shows differences in the lengths and mileage rates of certain roads compared with those entered in the Budget for 1895-96, which needs explanation and pending its receipt the estimate will be allowed to stand. The provision on account of establishment will be reduced from Rs. 10,030 to Rs. 8,186, which is 17½ per cent on the estimate for original works and repairs. The provision under "Reserve" Rs. 7,665 seems excessive and pending explanation as to its necessity, the amount will be retained.

2. Yelwal-Hassan road ...	25	80	26	100
3. Gundlupet-Chamrajnagar road	20	50	22	80

8. The provision made for works to be executed by the Revenue Department is passed.

9. *Civil Charges.*—The increase under "I Office establishment" is due to the provision (Rs. 30) newly made on account of furniture. The estimate is passed. A sum of Rs. 200 newly entered on account of allowance for extra cases attended to by midwives, accounts for the increase under the head "IV Midwives." This is passed.

10. *V. Sweepers for Travellers' Bangalos and Musafirkhanas.*—Excluding the pay of sweepers attached to the Musafirkhanas at Kadakola and Chetnahalli and to the inspection lodge at Hunsur, who were dispensed with in Government Proceedings No. 9847-9—L. F. 72-94, dated 24th February 1896 the correct provision that has to be made under this head is Rs. 1,380, which will be entered in the Budget in lieu of Rs. 1,620 provided by the Deputy Commissioner.

(b) Removing manure pits and filling cess pits	1,000
(c) Planting avenue trees	1,000

Proceedings of the Government of Mysore,

READ:—

Letter, dated 31st January 1896, No. 346, from the President of the Mysore City Municipality, requesting the sanction of Government to tax the vacant building sites in the City under Section 34 of the Mysore Municipal Regulations.

No. 10787—L. F. 106-95, DATED, BANGALORE, 19TH MARCH 1896.

ORDER THEREON.—The assessment levied under Government Proceedings, dated 6th April 1894, No. 6919-27—R. 1699, is land revenue falling under Section 48, clause (c) of the Land Revenue Code. There is no provision for the assessment of vacant sites under the Mohatarfa Rules and the Municipal Board are thus incompetent to assess vacant sites within Municipal limits either under the Government Proceedings above quoted or under the Mohatarfa Rules.

2. Under Section 64 however of the Municipal Regulations, the Commissioners may assess vacant lands at special annual rates with the sanction of Government. Such rates would be supplemental to the present system of taxation and the President of the Mysore City Municipal Board is requested to suggest, in consultation with the Board, annual rates under Section 64 of the Regulation for the orders of Government.

Letter No. 527, dated the 14th December 1895, from the Deputy Commissioner of the Hassan District, requesting sanction to the cancellation of the sale of Survey No. 23 in the Amani Hippekere village of the Holé-Narsipur Taluk.

No. 7996-8003—R. 3116, DATED, BANGALORE, 5TH MARCH 1896.

ORDER THEREON.—The facts of the case are as follows :—

On the 30th April 1889, one Santebacheballi Srikantaiya *alias* Tippaiya applied for Survey No. 23 measuring 2 acres and 24 guntas and assessed at Rs. 11 of the Amani Hippekere village and the application was rejected on the ground that the land contained date trees.

2. On the 25th September 1893, Tirumal Rao, Shekdar of the Kasba Holé-Narsipur Taluk, having applied for the said land, it was sold by public auction in which it was purchased by himself for Rs. 55. On receipt of the sale proceedings from the Amildar, the General Assistant Commissioner declined to confirm the sale on the ground that the applicant, who was a public servant, had not obtained the previous permission of the Deputy Commissioner.

3. On the 23rd November 1893, Tirumal Rao applied to the Amildar to obtain for him the sanction of the Deputy Commissioner to acquire lands in the Holé-Narsipur and Channarayapatna Taluks, but no formal sanction appears to have been granted to him.

4. The land in question was again sold on the 26th January 1894 and the sale confirmed on the 19th February 1894, in the name of one Gaddi Hossur Subbaraya, who was the only bidder and he was accordingly put in possession of the land on the 19th April 1894.

5. On the complaint of the original darkhastdar Srikantaiya, it was found that Subbaraya, in whose name the sale had been confirmed, was only a nominal bidder, the real purchaser of the land being Shekdar Tirumal Rao, who had paid for the same.

6. The real bidder in this case being a Government servant who had obtained no permission to bid at the revenue sale and the transaction being fraudulent, the Deputy Commissioner recommends, under para 29 of Rule XX of the Rules under the Land Revenue Code, the cancellation of the sale held on the 26th January 1894. He has adequately punished the Shekdar by fining and transferring him to another part of the District.

7. Under these circumstances the sale is cancelled and the action taken by the Deputy Commissioner to punish the Shekdar is approved. If his application for permission to purchase the land has not been finally disposed of, it is desirable that the Deputy Commissioner should do so now and intimate his orders to the Shekdar. But the delay in disposing of this application does not justify the Shekdar entering into a fraudulent and *Binami* transaction. His punishment is therefore both called for and proper.

No. 8234-36—R. 3185, DATED, BANGALORE, 9TH MARCH 1896.

ORDER.—There is reason to believe that the Forest Rule (No. 19 of Rules of 8th June 1878), prohibiting the cutting and burning of trees, shrubs, bamboos, jungle, &c., within 50 yards of springs and of banks of hill streams, their feeders, is much neglected in some of the Western parts of the Province.

2. Clearing of ravines for purpose of cultivation up to the very bank of hill streams has been, it is understood, allowed on a large scale in recent years, and the Wadanhalla has been quoted to the Dewan during his recent tour as an example of an important tributary of the Hemavati whose summer supply has from this cause shrunk to half its former size.

3. The Deputy Commissioner of Hassan should report at once, through the Conservator of Forests, all important streams, draining into the Hemavati in respect of which there has been any violation of the Rule above quoted within the last 12 years, with particulars as to the kind and extent of cultivation which has sprung up, the circumstances under which it was allowed and the remedy he would now propose.

4. It seems that in Manjarabad applications for several ravines for cardamom and other cultivation are now pending disposal. These should not be granted without the strictest attention to the Rule above quoted.

5. Though the information which has reached Government relates specifically to the streams of Manjarabad, yet the subject is one which deserves equal attention from the Deputy Commissioner of Kadur as regards the streams in his District. He will accordingly be asked to take action on the lines above indicated, in his own District, and especially as regards the various drainages on all sides of the Bababudan range of hills. Mr. Oliver's land at Kalhatti for the division and sale of which orders have already been issued was reported by Mr. Sparkes to the Dewan during his recent tour as forest land whose cultivation was likely to interfere with springs. The land cannot be brought under cardamom or grass assessment and under the circumstances now brought to notice, it should not be disposed of but should be reserved to Government. Mr. Sparkes will report any reservations elsewhere required in his District.

6. The Conservator of Forests will take immediate steps for the due observance of the Forest Rule under reference throughout the State and especially within the above mentioned tracts.

Letter No. 779, dated the 21st February 1896, from the Deputy Commissioner, Hassan District.

Adverting to Government Proceedings No. 16819-26—R. F 215-92, dated 6th April 1895, forbidding without any reservation any grant of land of any description within half a mile of the boundary of any railway station, I have the honor to state that this order has a wider application than was perhaps intended.

2. For instance, within the Arsikere Municipality which lies all within the forbidden limits, no Government house site whatever can be given out for building purposes even in the interior of the town, though there is not even a remote chance of the sites being required for railway purposes. There is thus a complete stop put to new buildings being raised within the Municipality. The Proceedings require a list of sites with their size, value, position, &c., being furnished to Government for sanction being obtained for exemption. This is not easy of accomplishment and may require considerable time. Meanwhile no new building can be erected. This entails a hardship on the people. I beg therefore to add that it will be sufficient for all practical purposes if the Government order be modified that all lands adjoining or contiguous with railway premises be prohibited from being granted within Municipalities, as there can really be no need for railway purposes for lands or sites which are cut off from the railway station premises by other buildings already under existence.

No. 9075-80—R. 3508, DATED, BANGALORE, 31st MARCH 1896.

ORDER THEREON.—Government are of opinion that there is really no difficulty in carrying out the instructions contained in Government Proceedings No. 2061-70—R. 244, dated 4th August 1894, which therefore need no modification.

The Arsikere Municipality has been cited as an instance of the hardship caused by the restriction imposed in the order sought to be modified, but the Government are of opinion that the remedy which has suggested itself to the Deputy Commissioner himself is a simple remedy, namely, he has only to submit for the general sanction of Government, a list of all such vacant sites within Municipal limits as are not likely to be required for railway purposes and as may therefore be built upon.

Correspondence ending with docket No. 3338—874, dated 4th March 1896, from the Deputy Commissioner of the Kolar District, in regard to the remission of a portion of the Kodigi quit-rent due by the Kodigidar of Hurenaikankere, Registered No. 430 of the Kendanahalli village in the Sidlaghatta Taluk.

No. 8994-9001—R. 3483, DATED, BANGALORE, 31ST MARCH 1896.

ORDER THEREON.—The quit-rent originally imposed on the Kodigi Inam in question was Rs. 21. But on a representation made in 1891, that the amount thus fixed was Rs. 14 only, and that the difference between it and the quit-rent leviable under a subsequent revision was Rs. 2-12-0 per annum, the Government in Proceedings No. 1132-33—23, dated 1st May 1891, sanctioned the outstanding balance of Rs. 27-8-0 being written off the accounts. The fact that a further remission was necessary, owing to the incorrectness of the figures taken into account in 1891 remained unnoticed, until the present Amildar discovered it and recommended a further remission of Rs. 23-8-0 in his report dated 24th January 1895, on the ground that the remission of Rs. 27-8-0 already sanctioned was in consequence of the lands having lain waste during the years Swabhanu, 1883-84, Tharana, 1884-85 and Parthiva, 1885-86.

2. The inaccuracy of the Amildar's report was noticed in this office and the Deputy Commissioner was called upon to submit a further report in the matter after obtaining a detailed explanation from the Amildar. While admitting the incorrectness of his report, the Amildar stated that in making it, he was guided by the Taluk Gumasta who had based his information on surmises instead of on records.

3. There was again a failure on the part of the Amildar to verify the figures entered in the Remission statement, and the result was that a further reference had to be made on the subject owing to the incorrectness of the amount of Kodigi quit-rent, shown in the statement.

4. It now appears that the revised quit-rent imposed by the Inam Department on the Kodigi Inam in question is Rs. 11 and not Rs. 10-8-0, as entered in the statement, and that the remission involved is Rs. 18-8-0, and not Rs. 23-8-0, as originally reported by the Amildar.

5. Under these circumstances, sanction is accorded to the outstanding balance of Rs. 18-8-0, as shown in the margin, being written off the accounts.

6. The explanation submitted by the Amildar Sira Srinivasa Rao from time to time is highly unsatisfactory. The Deputy Commissioner is requested to convey to him the great displeasure of Government and to report whether he is exercising sufficient supervision over the doings of his subordinate officials. This protracted and unnecessary correspondence could have been avoided by proper care in the ascertainment of facts and the preparation of a correct Remission statement in the District office, and it is desirable that returns received from Taluks should undergo a better scrutiny there.

No. 8927-30—R. 3451, DATED, BANGALORE, 31ST MARCH 1896.

ORDER.—The order of Government No. 8234-39—R. 3185, dated 9th March 1896, directs the strictest attention to the Forest Rule prohibiting clearings within 50 yards of springs, streams, &c., and in para 4 it is laid down that lands for which applications have been made should not be granted without the strictest attention to the above Rule.

2. The Deputy Commissioners of Hassan and Kadur will now be requested to defer the disposal of all pending applications for coffee or cardamom lands till they are able to satisfy themselves by careful enquiries that the grant of such lands for cultivation cannot injuriously affect the supply of springs, streams, &c. Such enquiries should be at once instituted and all lands which should be protected in the interests of water-supply should be absolutely reserved to Government, and the remainder alone should be disposed of.

3. In the case of applications for cardamom cultivation, there is reason to apprehend that the lands applied for are generally steep narrow ravines, and if the 50 feet strip on either bank of water-courses be reserved, there will be little left fit for cultivation. When such is the case the applications should be refused, and the entire ravines should be reserved.

4. All reservations made as above should be distinctly specified in the village accounts and maps.

5. Lands already granted for cultivation must be regarded as granted subject to the observance of the Forest Rule under advertence. All future clearings within the 50 feet limit on such lands should be prevented and the Government will be prepared to resume all such uncleared margin in which private rights may now exist, and to leave the same as unassessed waste. The Deputy Commissioners of Kadur and Hassan should submit lists of all lands requiring to be resumed under this para. meanwhile taking steps to prevent breach of the Forest Rule in question by serving the occupant with formal notice. It should be pointed out to all concerned that the Forest Rules of 1878 have the force of law.

6. In the Mudgere Taluk it is reported that "scrub jungle quite unfit for coffee is now being cleared for coffee and that much more has been applied for by ignorant persons or speculators with the probable result in the near future that over large tracts there would be neither coffee nor jungle." The Deputy Commissioner of Kadur is requested to enquire into and report upon the above statement with specific information regarding the character of the scrub jungle which is said to be largely resorted to, now that the more suitable land has all been occupied. As the system of cultivation of coffee under shade is the rule in the Malnad, it is worthy of careful consideration how far the evergreen trees grown for shade are likely to be more advantageous for climate, rainfall and springs than the scrub which they supersede.

7. The Conservator of Forests to whom a copy of these orders will be communicated, will be requested to pay an early visit to the Malnad coffee tracts, and report on the question of the limit of cultivation of coffee and cardamom required in the interests of water-supply, climate and rainfall, after consultation with the Deputy Commissioners concerned.

8. The Department of Public Works Secretary will be requested to submit for information of Government lists of the highest flood levels of the Hemavati and Kaveri rivers for as many years as possible (say since 1871) at all the points for which such information is forthcoming. He will also submit, if available, similar information regarding the lowest levels in each year.

No. 9005-13—R. 3486, DATED, BANGALORE, 31ST MARCH 1896.

ORDER THEREON.—The accompanying statement prepared in this office shows that the total estimated Jamabandi under the head Land Revenue for 1895-96 is Rs. 95,49,538, being less than the actual demand for 1894-95 by Rs. 58,899.

2. The total Land Revenue for the Mysore District as entered in column 3 amounts to Rs. 17,38,240 and not Rs. 17,40,240 as shown in the Deputy Commissioner's statement. The Deputy Commissioner is requested to explain the discrepancy.

3. There is a decrease of more than Rs. 5,000 in each of the following Taluks :—

Taluks	Amount of decrease. Rs.
Belur	40,762
Sidlaghatta	14,754
Chamarajapatna	11,361
Gowribidnur	8,769
Manjarabad	9,152
Hassan	7,956
Arsikere	5,008
Mudgere	5,003

4. The Deputy Commissioner of Kolar has assigned no reasons for the large decrease of Rs. 14,754 in the Sidlaghatta Taluk. This omission should now be supplied. The explanation furnished by the Deputy Commissioner, Hassan, for the still larger decrease of Rs. 40,762 in the Belur Taluk is inadequate, inasmuch as all this decrease cannot be attributed to there being no revenue at all under the heads "Sale of right of occupancy of Government land" and "Tax on hittals," as the actual demand under the former head for 1894-95 is Rs. 35,037. A further and more detailed explanation on this point is awaited.

5. Deputy Commissioners are requested to furnish in their future returns, full explanation as regards fluctuations under the several heads of revenue as shown in the accompanying form which is hereby prescribed for future adoption. It is essential that these returns should be submitted punctually within the prescribed time, that is to say, on the 1st of February, and in this respect it has to be pointed out that the Deputy Commissioner of Bangalore delayed his statement most unaccountably till the 9th March.

REVENUE.

SALE OF ARRACK VEND FARMS OF 1896-97.

Notification No. 8032—*Ex.* 245, *dated 6th March* 1896.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined schedule for the twelve months beginning with 1st July 1896 and ending with 30th June 1897 will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the head-quarters of the Shimoga District for that District, and at the Taluk head-quarters in the other Districts, on the dates specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the farm being knocked down to him and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale ; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited ; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. The details of consumption of Arrack in the shops of the existing farms and at Depôts, the amount of rental of each Farm, &c., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of 30° under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1896 ; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable with interest at 6 per cent per annum from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(4) (a) The licensee shall purchase Arrack for issue to his shops from Messrs Parry and Co., who have been appointed manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said manufacturers for arrack supplied by them, shall be 10½ annas per gallon of 20° under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at Rs. 5—5—0 per gallon of 20° under-proof, and at proportionate rates for lower strengths.

(b) The above rate to be charged by the manufacturers is in addition to excise duty which shall be prepaid into the local Government Treasury, as per following condition (5) at Rs. 4, before the removal of arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such arrack to the manufacturers or their agent, or any person appointed by Government on this behalf, the Assistant Supervisor or other officer in charge of the Distillery, or the Bonded Depôt-keeper shall issue the quantity of arrack equal to the amount of duty shown in the Treasury Officer's receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Assistant Supervisor or other officer or Bonded Depôt-keeper aforesaid as to the date and hour when the arrack was issued. The Assistant Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form, under the rules in force for the transport of the arrack from the Distillery or Warehouse. The licensee who obtains Arrack from a Bonded Depôt shall pay both the price of arrack and duty into the local Taluk Treasury.

(6) The licensee in the Bangalore District shall maintain at a place or places within his farm where it may be considered necessary by him and the Deputy Commissioner, a Depôt or Depôts to which all arrack purchased by him shall be conveyed in the first instance for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The Depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such Depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven Districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being paid by them as at present.

(7) The arrack shall be sold as issued from the Distillery, Bonded Depôt, or Farm Depôt and shall not be adulterated or diluted in any manner in the shops.

(8) The licensee shall keep true accounts of the quantity and strength of the arrack purchased by him and issued to shop-keepers. The passes issued with the arrack purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9) The arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12) The licensee shall be bound to take over any arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1896 in the existing Bonded Depôt in his farm or in the Farm Depôt or in his shops, paying to the old farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise Officers.

(14) The Farm shall not be transferable except with the permission of the Excise Commissioner.

(15) Resignations of Farms in whole or part will be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions or for such neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and re-sell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1896, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws for the time being in force.

By Order,

C. SREENIVASIENGAR,

No. 8032 *A.*—245-*A*, *dated* 5*th March* 1896.

SALE OF SEPARATE ARRACK SHOPS FOR 1896-97.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the subjoined schedule, for the twelve months beginning with 1st July 1896 and ending with 30th June 1897, will be put up to public auction on the dates and at the places named in the said schedule, by the Deputy Commissioner or other officer authorized by him.

2. Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{1}{4}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. Persons to whom shops have been knocked down, and who have made deposits as provided in paras 2 and 3 shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses and execute counterpart engagements, in the prescribed form, on the conditions hereinafter set forth. On the failure of any person to make the deposit, or to take out licenses or to execute counterpart engagements, as aforesaid, the shop or shops will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by re-sale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

6. The amount of rentals, consumption of each shop, &c., for the past several years are specified in the appended schedule.

7. The license to be taken out under para 4 above shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends only to the sale of arrack of the strength of 20° Under-proof. But it shall not extend to the sale of double distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from July 1896; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the lease is forfeited, and proceed to re-sell the shops as soon after the last day of the month as may be possible. The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the lease. Provided, however, that when the shops are re-sold, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the shops. The balance of such arrears and deficits, if any, shall be recoverable with interest at 6 per cent per annum from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of arrack from the Bonded Depôt.

(7) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of arrack, which forms shall be purchased from local Excise officers.

(8) Resignations of shops in whole or part will be summarily rejected by the Deputy Commissioner.

(9) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(10) The remaining terms and conditions shall be as set forth in the prescribed license.

C. SRINIVASAIYANGAR,

Secy. to Govt., Genl. and Rev. Departments.

The Deputy Commissioners of Districts.
The Comptroller to the Government of Mysore.

SALE OF TODDY VEND FARMS FOR 1896-97.

Notification No. 8030—*Ex.* 243, *dated* 5*th March* 1896.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Date Toddy in the various classes of farms specified in the subjoined schedule for one year beginning with 1st July 1896, and ending with 30th June 1897, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said schedule and at the Taluk Kasbas, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms, or should any of the present farms be unduly large, the officer conducting the sale, may revise, sub-divide or otherwise re-arrange the farms subject to the approval of the Excise Commissioner.

2. The exclusive privilege above described will be put up to auction, and will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject any bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, depost a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Provided that if the Deputy Commissioner considers it advisable, he may permit a deposit in cash or Government securities equal to only two months' rent, or such deposit equal to one month's rent and personal security for three months' rent. If he fails to produce the aforesaid securities, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. The existing shops in each farm and the groves attached to each farm, the yearly rental of each farm, &c., for the previous years are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) For the supply of toddy to his shops, the licensee shall have the exclusive privilege of manufacturing toddy from the date trees in the groves assigned to his farm; and he shall be at liberty to manufacture toddy from date, palmyra or cocoanut trees in private lands either inside or outside the limits of his farm, on separate free licenses issued under Section 5 of the Excise Act, or to buy it from other farms, under private arrangements between him and the owners of such lands or the licensees of such farms, as the case may be, the selling price of palmyra and cocoanut toddy being fixed by the Excise Commissioner from time to time.

(2) The exclusive privilege shall extend only to the sale of date, palmyra and cocoanut toddy, and shall not include the sale of bagani toddy.

(3) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1896 together with the local cess of one anna on every rupee of such instalment; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the

Amildar to break up the defaulting farm into the existing number of shops within it, and give to each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(4) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the farm. Provided, however, that when the farm is re-sold or broken up under the provisions of sub-clause (3) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable with interest at 6 per cent per annum from the licensee or his surety or sureties, or from both, under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(5) The toddy shall be sold to the public at the rates prescribed by Government.

(6) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(7) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-keepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(8) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the rules, shall be strictly prohibited.

(9) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(10) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(11) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.

(12) The farm shall not be transferable except with the permission of the Excise Commissioner.

(13) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.

(14) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and re-sell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government. When a farm is cancelled, the rent for the whole period of the farm shall become due at once; and all loss caused to Government by the cancellment or re-sale of the farm shall be made good by the licensee or his surety in the manner specified for re sales in para 4 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9 The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other enactments or rules for the time being in force.

Letter No. 3315—325, dated 18th February 1896, from the Excise Commissioner in Mysore, forwarding correspondence together with a draft Notification for amending the existing Toddy License Rules, with a view to make the possession of putrid and unwholesome toddy by the licensees of toddy shops punishable as a breach of the license

No. 8720-21—Ex. 263, DATED, BANGALORE, 21ST MARCH 1896.

2. Government are accordingly pleased to direct that Rule V, 6, (5) of the Excise Rules published with Government Notification No. 11813—R F. 233-92, be amended by the addition of the words "and no such toddy, or toddy drawn more than two days previously shall be offered for sale or kept in the shop."

3. The accompanying Notification will be sent to the Compiler, Mysore Gazette, for publication in three issues of the Gazette both in English and Kannada.

FOREST.

Proceedings of the Government of Mysore.

READ.—

Letter No. C. 205, dated the 20th February 1896, from the Conservator of Forests in Mysore, reporting that, upon receipt of the orders contained in para 6 of Government Proceedings No. 3253-64—L. F. 59-94, dated the 6th September 1895, empowering Deputy Commissioners to issue wood and bamboos free of duty, within a limit of Rs. 25, for the construction of Police Chavadis, Mr. Ricketts, late Inspector General of Forests, issued a circular No. 180-87—32, dated 17th idem, in which he pointed out that the authority thus vested in Deputy Commissioners was "for the grant of wood of unreserved kinds only and from District Forests," and recommending that the above restriction, which is not expressly laid down in the said Proceedings, be sanctioned, and that the term "prime cost" be more clearly defined.

No. 8006-16—Ft. F. 45-95, DATED, BANGALORE, 5TH MARCH 1896.

ORDER THEREON.—The restriction laid down in Mr. Rickett's circular quoted above is approved. Ordinarily only unreserved wood available in District Forests should be granted by the Deputy Commissioner for the construction of Police Chavadis. When wood of the reserved kind is required in special cases the consent of the Conservator of Forests should be obtained before its grant within the prescribed limit is sanctioned by the Deputy Commissioner. Removal of wood from State Forests should not be ordered without the sanction of Government.

2. Government agree with the Conservator's opinion that the term "prime cost" should be understood to mean "the standing value calculated at the ordinary rate of seigniorage or license fee prevailing in the District." This will be communicated to Deputy Commissioners of Districts for their guidance.

READ:—

Letter No. 181, dated the 19th February 1896, from the Superintendent of the Botanical Gardens, submitting for sanction the Budget estimates of the Botanical Gardens and Parks, &c., in Bangalore, and of the Gordon Park at Mysore for the year 1896-97.

No. 8631-32—Ft. F. 42-95, DATED BANGALORE, 20TH MARCH 1896.

ORDER THEREON.—The estimated receipts of the Botanical Gardens and Cubbon Park in Bangalore for 1896-97, amounting to Rs. 2,600 and Rs. 600, respectively, are passed, being the same as those of 1895-96. No receipts are shown under "Gordon Park" at Mysore.

2. The total expenditure of the Cubbon Park and the grounds attached to the Dewan's Official Residence at Bangalore for the year 1896-97, is estimated at Rs. 1,740 and Rs. 558, respectively. These estimates and the sum of Rs. 3,128 provided for the Gordon Park at Mysore are passed, as the figures are the same as in the current official year.

3. In regard to the Botanical Gardens, the total Budget estimate under all heads shows a decrease of Rs. 1,200, being Rs. 23,724 against Rs. 24,924 in the current year. This is due to the omission of the sum of Rs. 1,800 on account of the pay of the Curator whose services have been dispensed with and the abolition of whose post is now under the consideration of Government. Mr. Cameron has however provided for increases to the marginally noted officials. Pending orders on the separate reference on this subject now before Government, the provision referred to above will be allowed to stand. The provision for apprentice gardeners has been increased from Rs. 360 to 384, owing to the annual increases to be given to these apprentices under the terms of their appointments.

4. Under the head of "Horticultural Shows" the expenditure has been increased from Rs. 1,500 in 1895-96 to Rs. 1,800 in 1896-97. Pending receipt of the information called for in Proceedings No. 7602-3—Ft. F. 14-95, dated 22nd February 1896, this increased provision will be allowed to stand; but the additional grant should not be utilized till final orders are passed on the separate representation of Mr. Cameron.

5. With the foregoing observations, the Budget estimates are sanctioned and passed on to the Comptroller for inclusion in the Provincial Budget.

PETITION.

Proceedings of the Government of Mysore,

READ:—

Petition No. 1096, dated 30th October 1894, from Kempegauda and others of Bindiganavale, Nagamangala Taluk, appealing against the order of the Deputy Commissioner, Mysore District, directing the levy of trade tax on them for taking gardens on lease (Keni).

2. The following letter No. 953, dated 14th March 1895, from the Deputy Commissioner, Mysore District, to the Chief Secretary to the Government of Mysore, Bangalore.

With reference to your Official Memorandum No. 668, dated 7th November 1894, forwarding for report, petition from Kempegauda and others of Bindiganavale, Nagamangala Taluk, I have the honor to submit herewith the Vernacular Proceedings and the report of the Sub-Division Officer received thereon

2. The facts of the case are as follow:—

3. In June 1893, the petitioners, 17 in number, residing in Bindiganavale and Kembadahalli, were assessed with a trade tax varying from Rs. 2 to 4 by the Amildar for being genidars, or lessees of gardens belonging to others.

4. The petitioners thereupon complained to the Sub-Division Officer in July 1893. In calling upon the Amildar for report, the Sub-Division Officer directed that pending final orders no demand should be made for the tax.

5. The Amildar explained that the tax was imposed under Circular No. 64 of 1862, issued by the Deputy Commissioner, that petitioners were Izardars of gardens, which they also cultivated, and that they also held kandayam lands in their own name. He further reported that in a similar case, in the village of Garkahalli, a trade tax of Rs. *15 had been imposed in 1863, for taking Izare or lease of a garden for Rs. 1,886 per annum, and prayed for orders on the subject.

* 2nd class rate for village shops.

6. The Sub-Division Officer, after obtaining further information about the real occupation, &c., of petitioners, submitted the correspondence to this office, stating that the imposition of similar taxes was in vogue in some of the Sub-Division Taluks, on the authority of the circular above quoted, that it appeared to him to be a professional tax, and that as there was no rule to levy a profession tax in outlying villages, he requested orders for his guidance.

7. In reply, the Sub-Division Officer was informed that the tax imposed upon Izardars of gardens or dealers in sugar-cane was not a profession tax but only a trade tax, that the imposition of such taxes being in force under previous circular orders, was not to be interfered with, and pending the issue of a general ruling by Government in the matter, no change of existing practice appeared to be expedient.

8. On this, the Sub-Division Officer confirmed the tax, against which the petitioners have preferred the present appeal to Government.

9. The question to be now decided is whether petitioners were Izardars or shikmi-cultivators. The point is a delicate one. In the cases of leases of garden produce, such as cocoanut, areca-nut, plantain and sugar-cane, &c., to third parties, the owners themselves carrying on the actual cultivation, the lessees have not to do anything beyond taking care of the produce and may, I think with justice, be looked upon as Izardars or Kenidars. In this view, apparently, the Izardars of gardens have been expressly excluded from the privilege of exemption of Mohatarfa tax by the Circular of 1862 (para 6) and I beg to submit the proceedings for such orders as the Government may deem proper.

10. The petition received with the Memo under reply is herewith re-transmitted.

No. 8167—P. 1647, DATED, BANGALORE, 7TH MARCH 1896.

ORDER THEREON.—The principle of taxation is very clear. Agriculturists following the profession of agriculture primarily enjoy generally exemption from the liability to pay Mohatarfa kandayam. In this class would be included such of the *Varam guttigedars* as undertake the cultivation of the gardens and take a share of the produce for their profit. But distinguishable from these are the other kind of lessees who simply buy the produce on *Keni* or *Izara* and sell it in retail for profit. In the latter kind of occupation the element of agricultural co-operation is markedly wanting and the profession thus followed partakes of the nature of trade and becomes liable to be assessed to Mohatarfa tax.

2. The case of the petitioners will be disposed of by the Deputy Commissioner in accordance with the foregoing observations.

C. SREENIVASIENGAR,
Secy. to Govt., Genl. and Rev. Depts.

To—The Deputy Commissioner, Mysore District, with records and the petition.
The Deputy Commissioners of other Districts for information.
